

## WWIN Sponsorship Opportunities

Guided by the belief that every woman is worthy, WWIN empowers women in Washington State to achieve economic stability through higher education and living wage careers.

Today, more women are in the workforce than ever before and many are the primary breadwinners for their families. Yet, more than half of female-headed households with children live in poverty. If we are interested in doing something about intergenerational poverty, then we are interested in women's economic stability.

WWIN walks alongside a woman as she steps toward her goals, offering inspiration, opportunity, advocacy and support so she can live life to her full potential.

**As a corporate partner, your company will stand out as a prominent business leader, not only committed to women's economic security, but bettering our society as a whole. Join us and change a woman's life.**

### Inspiring Women Campaign

March month long campaign celebrating influential women in our community and the inspiring WWIN Scholars. Digital and online highlights throughout the month and a one day Virtual Event, generating the funds and support to say YES! to empowering women in Washington.

### Activate You! Women's Empowerment Series

An online monthly speaker series with topics that engage women at all stages of their career to expand and strengthen their knowledge, impact and success.

### SIP For Stars!

A special fall Star Scholarship fund-raising event to support WWIN Star Scholars. An evening to enjoy Washington wines, fun and games with friends while raising funds to elevate women through education.

**When women reach for the stars, we all win.**
