

Join us as an Inspiring Women CHAMPION throughout the month of March to celebrate Resilience and Raise Funds to Change a Woman's Life

The women of WWIN have modeled incredible strength, courage and resilience as they pursue their goal to attain economic stability amid the challenges of the pandemic. WWIN Scholars are determined and driven and have a deep desire to build a better future for themselves and their families. They define *Resilience* and we champion their success.

This March, we invite you to become our partner and become an *Inspiring Women Champion* to celebrate the resilience of Star Scholars while raising funds to further their education and secure a living wage career.

As a *Champion*, you can inspire your friends, family and colleagues to shift the momentum for women in Washington.

As a Champion, *you can*:

- Have your own personal fundraising webpage with a goal to raise \$2,500
- Invite your family, friends and colleagues to help propel a woman to economic stability and empower her to reach her full potential
- Earn recognition for fundraising achievements!

As a Champion, *we will*:

- Equip you with the tips and tools for you to create your online fundraiser
- Provide you with weekly WWIN inspirational messages and videos that you can share on your fundraising page and your social media
- Support you with information and resources to help you reach your fundraising goal
- Celebrate your fundraising accomplishments!

It's that simple!
