Star Scholars

WWIN Star Scholars are determined and driven and have a deep desire to build a better future for themselves and their families. They are prepared to work towards a college degree, sparking positive change for themselves.

A Star Scholarship eliminates a financial barrier for a woman seeking the higher education she needs to attain a living wage career. Star Scholars receive up to \$5,000 per academic year and up to \$20,000 over her undergraduate college career at the approved Washington college or university of her choice.

“We were inspired by the opportunity to Sponsor a Scholar and impact one life deeply”

- Laurie, Star Scholar Sponsor
