

Sponsorship Opportunities

“WWIN was that one door that led me to the hallway of all these other doors of opportunities.” – Kahmina, Star Scholar

Today, more women are in the workforce than ever before and many are the primary breadwinners for their families. But more than half of female-headed households with children live in poverty. If we want to break the cycle of intergenerational poverty, we must start with women’s economic stability.

Guided by the belief that every woman is worthy, WWIN empowers women in Washington State to achieve economic stability through higher education and living wage careers.

As a corporate partner, you’ll gain visibility while you empower women to reach their full potential. You’ll be taking a stand for women while helping them take a big step forward. Join us in making a difference, one woman at a time.
