Table Captain Guide

WHAT TO EXPECT AS A TABLE CAPTAIN

VIP Status! You are the direct link to the success of the event. As a Table Captain, you receive:

- A reserved table with Table Signage
- Complimentary valet parking for you and your guests
- Personal concierge service leading up to and at the event
- An appreciation gift

HOW DO I SERVE AS A TABLE CAPTAIN?

Fill a table of **10 guests** to ignite the generational impact of education.

HOW DOES REGISTRATION WORK?

As a Table Captain, reserve your table online at wwin.org/events or contact events@wwin.org to reserve your table.

There are two options for guest reservations:

- As a Table Captain, you may choose to host your guests by making an advance reservation of \$1,500 for a table for 10 guests. You will provide your guest list to us by October 1, 2025.
- OR
- You can invite your prospective guests to register online by making their own \$150 reservation, noting your name as their Captain when they do so.

Success Tips

INVITING YOUR GUESTS

Make a list of your prospective guests. Potential guests may include friends, family members, business or professional acquaintances. Think about the people you know through your social, recreational, professional or civic involvement.

Extend a **personal invitation** via the evite we provide, or call to invite your guests. Add a personal note with your name and contact information on the evites. We suggest you “over invite” for your table, as there will be unanticipated cancellations. If all your guests confirm, we can add extra chairs or provide a second table!

Be confident and committed when you invite your guests. Share your personal reason for supporting WWIN. Let them know this is a fundraising occasion, informing them there will be opportunities to donate in support of WWIN’s Scholars and programs.

MAKING RESERVATIONS

Reservations are due **October 1, 2025**.

If you are hosting your table guests, please ask your guests to RSVP directly to you, and then you will provide your guest names and their contact information to WWIN before October 1, 2025.

If you are not hosting your table guests, be sure to ask your guests to register online by making their \$150 registration and selecting your name as their Captain.

If you invite a guest who is unable to attend, please still send them an invitation with a note letting them know they will be missed. They may decide to make a donation to WWIN in lieu of their attendance.

VIRTUAL CAPTAIN

Unable to attend this year? Or would you like to include those who you know will be unable to attend? You can also be a VIRTUAL CAPTAIN!

As a Virtual Captain, invite those near and far to donate. WWIN will provide language to help Virtual Captains meet their fundraising goals.
